Since several participants had difficulties accessing the tool, we are going to review other options for the next meetings.

- o Presentation: attached.
- o Provide more time for a lively discussion.
- o Next meeting on 17<sup>th</sup> of December 2020 from 9 to 10 am CET, focal point on Autism
  - Preference for morning meetings at approx. same time
  - Introductions
    - Irene Talento
    - Nil Meral
    - Karen Cousins

**Would you provide your intro as a pre-recorded video or in the form of a written profile since we wanted to reduce the meeting time from 90 to 60 minutes due to the feedback we got after the call.**

*Please indicate in advance if you believe that the planned communication tools of Google Meet (audio/video); chat function (written text); online polls and Miro online collaboration activities such as mind-mapping will not optimise the opportunity for you to participate in this meeting, so that alternatives may be arranged.*
